

KA LEO O KE KAHUA O LAHAINALUNA

NEWSLETTER OF THE LAHAINALUNA HIGH SCHOOL FOUNDATION

SEPTEMBER 2006

A MESSAGE FROM FOUNDATION PRESIDENT, ROB SHELTON:

Aloha and greetings from the Lahainaluna High School Foundation. We look forward to another wonderful year and wish to thank all of our supporters for helping us "perpetuate the torch of excellence" at Lahainaluna. While we have made great strides this past year, there is much to do so we appreciate your continued support.

In this newsletter we will highlight some of our exciting new plans for the stadium and track that will bring our own "Friday Night Lights" to town. Athletic Improvements Chair Mark Tillman has assembled a top notch committee to reach out to our West Maui community and others to get this project to reality. (See below)

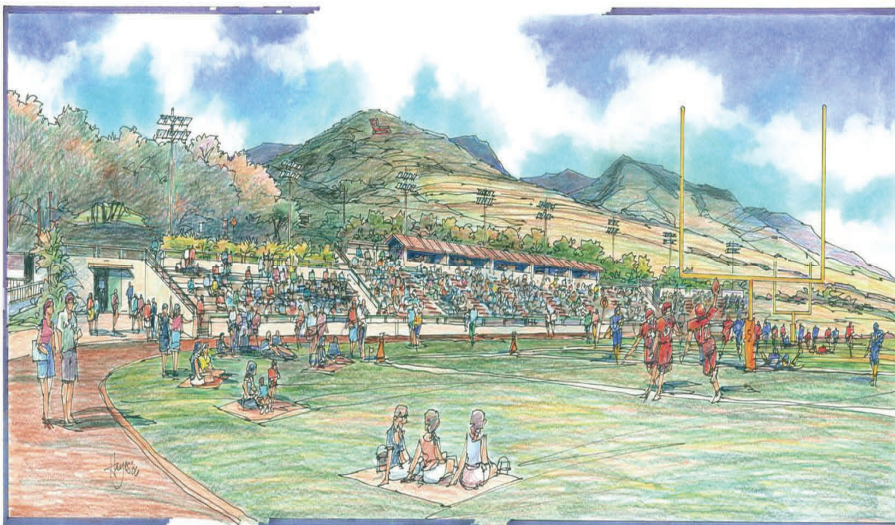

The Mercedes-Benz Championship, set for the first week in January 2007 at the Kapalua Plantation Course has provided wonderful opportunities for fundraising for our organization. In partnership with various school clubs, organizations, and athletic teams, we have provided much needed assistance in a number of areas. We also participate in the silent auction held at Spectator Village. This year we will be looking for adult and student volunteers to help, and silent auction donations with values of \$50 or more. If you can volunteer some time or provide silent auction items, we would be grateful for your help. The Mercedes-Benz Championship is a prestigious event featuring only the winners from the past year. This championship brings out many of the best golfers in the world, so we hope that you will support the tournament.

We are very close to launching our new web site, and we are thrilled that Karen Ancheta, class of 1997 is designing the site. We promise an interactive web site with lots of information about our foundation and the school. Additionally, this site will be great for alumni posting information about upcoming reunions or just keeping in touch with others. We welcome your comments about the web site, and if you have any ideas or want to include some pictures, we would be delighted to assist.

Finally, we offer a fond *Mahalo* and *Aloha* to Charlie and Preston Fox, as they make their move to Oahu. Charlie was very instrumental in setting up the organization and lending his expertise over the years and we wish them well. Knowing Charlie and Preston, we are sure that they will continue to support the efforts of the Lahainaluna High School Foundation.

Once again, **Mahalo** to all our supporters!

A Stadium Vision

After a fifty year break, football games are now a reality in Lahaina because of the commitment of the Foundation, the support of the school, and our West Maui community. Now, it is time to take that commitment to the next level by providing a permanent facility similar to the one at King Kekaulike High School. This new facility would include permanent seating, concessions, press box, lights, restrooms, a new track, and field and drainage improvements. We anticipate the cost of such a facility to be approximately \$8.0 million dollars. You can help through your generous contributions, or become a part of our team effort to get this project off the ground. Please call the Foundation office at (808) 661-5332 for more information.

COMING SOON, our web site will be up and running! This new web site will be www.LahainalunaHighSchoolFoundation.com. We especially thank LHS grad '97 Karen Ancheta for her expertise with its design and implementation.

Friends of the Library Endowment Program

The Friends of the Library Endowment Program, with inspiration from Charlie Fox, began with **one book** endowed in 2002. It continues to **GROW**. It now has 69 endowed books and an Endowment Fund of over \$35,000. Each year the number of endowed books and educational materials are added to the library. Each book has a bookplate with donor and honoree listed; a record is kept in the library. It is a wonderful way to honor and remember those who have meant so much to us.

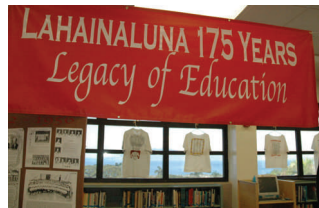

We are making a difference!

MAKING OUR WAY TOWARDS \$175K

On April 3-8, 2006 in celebration of the school's 175th year, Lahaina town was alive with archival displays and hospitality at the school, class reunions, a grand parade in Lahaina reminiscent of homecoming parades "back in the day" and the largest ever festive David Malo Day. Back in December of last year the LHSF 175th Anniversary Challenge kicked-off with a goal of raising \$175,000 to be used for specific needs and programs for LHS... **Mahalo nui loa** to our many donors we acknowledge since the publishing of our last newsletter (and if we inadvertently missed anyone, we most humbly apologize!)
