SBS Tournament of Champions

The Foundation participated in its 12th year as a beneficiary of the prestigious Tournament of Champions. Eight (8) LHS clubs and sports teams provided support for many of the set-up, break-down, and tournament tasks that are a part of an event of this magnitude. We also want to recognize Board President Mark Tillman for providing his assistance with the sound system on the 18th green, and to Rob Shelton who announced the players as they approached the green.

It's with great sadness that I announce the resignation of Nancy Cross from the Lahainaluna High School Foundation board. Nancy is one of those rare individuals with a "never say die" attitude. She's always one of the first to jump into and volunteer for whatever is needed on the board. Nancy has also been instrumental in paving the way for Lahainaluna High School's organizations and sports teams to participate in and benefit from the charitable giving associated with the Tournament of Champions / PGA golf event.

This one means of charitable funding has profited virtually every team and civic group at the school and has become the major source of funding for our organization.

Nancy joined the board in 2003 and served as the Vice President until 2009, when she assumed the additional duties of the Secretary, and she has been providing the board with those services since.

Aloha `Oe Nancy and A hui hou,

Mark Tillman, Board President

BENEFIT -

Pay With A Purpose

When you purchase digital gift cards through Benefit Mobile, the vendors donate a percentage of your eligible purchases to your designated beneficiary. (LHSF, we hope) Retailers like Lowe's, Walmart, CVS and Safeway are just a few of the participating retailers you can choose from.

the 39th Annual Visitor Industry Charity Walk this year. The Walk is a tremendous opportunity for the Foundation and our supporters to raise money for the work that the Foundation does for Lahainaluna.

Without the support of the alumni and others, we would not have been able to provide more than \$1.25M in grants to nearly every club and sports team on campus. Without your support, we would not have achieved donating more than 150 books a year to the library, administering over \$1M in scholarships, and bringing a \$9M multi-purpose stadium to this special school.

Please join us in this fund raising event, your donations and/or participation in this event will be held on Saturday, May 13. Contact your class representative, or contact the Foundation at lhfoundation@hawaiiantel.net, or call 808-214-2839.
