

**NEWSLETTER OF THE LAHAINALUNA HIGH SCHOOL  
FOUNDATION**

**KA LEO O KE KAHUA O LAHAINALUNA**

Aloha Luna Nation,

We are a blessed group aren't we? Our little school – the oldest school West of the Rockies – continues to make great strides toward making it the greatest school West of the Rockies!

If you didn't hear, we welcomed back Lynn Kaho'ohalahala, as our new principal. I remember having a conversation with her years ago after she accepted the principal's position at Princess Nahiena'ena Elementary School. She felt that she had found her place for the remainder of her educational career. But the tug was too great to return to the place where she established herself to be a competent administrator. To her we say "thank you" for heeding the call and coming back. She is known and respected by all on campus and has been a unifying force in her short tenure so far.

Many that I run into every week always ask about the completion of the stadium concession area. They've heard that it will get a pavilion to properly house our concessions but they haven't seen any progress. Well, as the wheels turn ever so slowly in this county, the progress on this project has been subject to the same. But, I am pleased to announce that one of the last hurdles has been overcome and the concession area should get put back on the fast track to completion within the next few months.

We are a patient group, aren't we? Remember how long it took to finally utilize the stadium to host graduation? It could have been as early as the 2014 graduation but it took until 2016 to actually host this event for our seniors. And the response has been tremendous over the last two years with crowds in excess of 4,000 attendees. It's nice to have a facility to receive all who want to attend.

Another bit of good news is that the LHS Class Challenge Golf Tournament, an event that began 10 years ago by our Oahu Lahainaluna faithful, will continue for the foreseeable future. The Foundation has opted to assume responsibility for its perpetuation so we will be hosting this event for 2018 again on Oahu at the Hawaii Prince Golf Club in July. Details will be forthcoming after the first of the year.

As we wind down 2017, your Foundation reflects back on the accomplishments of the past and also the challenges of the future and where it will take us. We are transitioning from a board that was blessed with an excess of money to one that needs to learn how to be more of a fundraising group. This has proven to be a difficult transition because we weren't prepared for this. As we make this hard turn, we will ask for a greater participation from the Luna community to help us in our efforts to continue being a Foundation to change things for the better. Consider a gift as we approach the end of this year, especially if you haven't before, to allow us to serve this school in the manner that enriches the lives of all those that pass through this great institution.

Mark Tillman, Board President

## LHS Class Challenge Celebrates 10th Year!!

The Foundation wishes to thank Earl Ichimura ('74), Eric Okazaki ('70), Mike Miyamoto ('76), as well as all of the volunteers, hole sponsors, prize donors and participants for perpetuating the torch of excellence with the 10<sup>th</sup> Annual LHS Class Challenge, held July 17 at the Hawaii Prince Golf Club on Oahu. The event generated \$17,000 this year and has exceeded \$163,000 towards financial support for the Foundation since beginning in 2008.

The tournament has always been intended as a "fun"-raising event to promote friendly competition between classes of LHS alumni and their friends and to support the LHS Foundation. We would also add that this has served as a very thoughtful multi-class reunion, bringing people together from all walks of life, each having a strong connection to Lahainaluna High School.

The Foundation will be taking the reigns of this tournament next year and looks forward to continuing this terrific event, on July 13th, at the Hawaii Prince Country Club. If you would like to participate in the 11th annual event, as a tee sponsor or event organizer, please contact us by May 31, at (808) 661-5332, or [lhsfoundation@hawaiiantel.net](mailto:lhsfoundation@hawaiiantel.net).

## 2018 Sentry Tournament of Champions

Welcome Sentry Insurance as the new title sponsor for the Tournament of Champions. Preparations are in high gear for the PGA TOUR's first tournament of the year, the Tournament of Champions, scheduled for January 4-7, 2018, at Kapalua's famed Plantation Course. The field is shaping up to be one of the best ever with all the major tournament champions expected to attend including Jordan Spieth, Jason Day and Zach Johnson, along with past champions Patrick Reed, Dustin Johnson, and Jim Furyk.

With the help of our title sponsor, volunteers and community partners, this prestigious tournament has donated over \$5.3 million to worthy non-profits. Lahainaluna High School Foundation is proud to have been selected as a designated beneficiary (going on our 13<sup>th</sup> year!)

Please support this great event and come out to watch the champions play in Kapalua this January.

## 2017 Visitor Industry Charity Walk

The Foundation participated for the first time as a non-profit organization in this year's Visitor Industry's Charity Walk. We didn't quite reach our fund raising goal, however, we were able to raise more than \$26,000. The unique aspect of the Charity Walk is the matching funds component, so for every dollar we raised, we received a percentage of matching funds, which came to just over \$6,000.

Going forward, the Charity Walk is now part of our year-round fundraising efforts. Your future unrestricted donations will now mean more than ever to the Foundation and they will permit us to do more for the school and the Lahainaluna community.

We hope that you will join us in this annual fund raising opportunity. Large or small, every unrestricted donation means more now. Consider creating a fund raising event, like a car wash or garage sale, with your classmates in order to make an even bigger impact. Call or email us for more information.

### 2017 Legends of Lahainaluna

The *Legends of Lahainaluna* celebrated its fifth awards ceremony on November 9th at the Pioneer Inn. The Foundation honored Auntie Lori Gomez-Karinen ('60) as the Individual Award recipient. Na Hoaloha Ekalu received the Business award and Samuel Mo'okini was selected as the posthumous award recipient.

Lori Gomez-Karinen

Past recipient Sue D. Cooley was honored with a video tribute. Sue passed away earlier this year. (See Below).

### Aloha from the Grants Committee!

The Grants Committee and the Board of Directors evaluated grants throughout the year and awarded a total of \$10,603. Receiving grants this year were the Arts Dept (\$2,500), AOHT (\$2,053), Music Department (\$2,500), LHS Security (\$2,400), Realtors Association of Maui, for LHS school supplies (\$1,000), and the LHS Library (\$150).

Donors: your contributions towards programs and projects can be awarded through our Grants Committee, by your specifying such when you make your donations. **MAHALO** TO ALL for the fulfilling service to our school.

### In Memoriam, Sue D. Cooley March 31, 1923 -February 18, 2017

In February of this year, Lahainaluna lost its angel when Sue Cooley passed away. If you've followed this publication since 2007, or the progress of the stadium, you know it was Sue who provided the bulk of funding for this beautiful facility (\$7.5M). Memorial services were held in Portland, Oregon and Bainbridge Island, Washington. Lahaina held it's own "Cooleybration" service, at the Sue D. Cooley Stadium, on Saturday, June 24.

Some of Sue's family were able to attend, including her daughter, Caroline. They were able to see and feel our community's appreciation and respect for Sue in the facility that bears her name.

Music was provided by Mele Pono, Kahu Earl Kukahiko offered the blessing and alum Ke'van Dudoit served as emcee. Providing personal stories were Walter Chihara, Garret & Lanny Tihada and Betty Sakamoto.

### Donor Spotlight

She graduated from Lahainaluna in 1939 and left the following year for the mainland, returning only once, for a visit. However, since 2003, this special donor has supported the school through her monetary gifts to the Foundation nearly every year.

I hope she doesn't mind the attention, but I would like to publically thank Henrietta Scott Hudson, Class of 1939, for her gifts. They are a testament to the deep pride she feels for this special place, a feeling that seems to be a common thread with so many Lahainaluna grads.

Thank you, Henrietta, for your philanthropy, it is both heartwarming and inspiring. It is an extreme pleasure to serve you and the other incredible alumni who support this special place.

Henrietta Scott Hudson ('39)

## LHS Cemetery Restoration Project

Work on the cemetery restoration project began on July 8th, with six volunteers from the Foundation's board and the PTSA. Weeds were cleared and painting began on the perimeter posts and chains. Additional work was done on July 16th & October 21st, with members from the Lahaina Canoe Club pitching in to continue the weed clearing and painting and spreading gravel for the walkways.

Later that month, the Ka'anapali Operations Association installed the weed barrier along a path that will become the walkway. In September, Flint Nakamura, Jr., Trucking Company donated and delivered the gravel for the walkway.

The Lahaina Canoe Club returned in October to spread the gravel for the walkway. Future tasks include straightening and repair of the retaining walls, and the cleaning and preservation of the headstones.

## Change to Board of Directors

At the September 12th board meeting, Lester Nakamoto offered his resignation. Lester joined the board in 2007 and served as the chair of the Finance Committee.

Chuck Yeaman was voted in as the Foundation's newest board member at the September board meeting. Chuck previously served on the Finance Committee in 2016. He is a 2005 graduate of Lahainaluna and has worked as the Branch Manager at Bank of Hawaii's Kahana Branch since 2009.

### Stadium Work Day

Photo courtesy Shaun Pederson ('99)

On July 28th, Foundation members, volunteers from the Hyatt Regency and the JV football team performed numerous maintenance tasks at the Sue D. Cooley Stadium. The granite pavers in the Path of Champions were cleaned, the bleacher nameplates were replaced with new ones, and the stadium received an overall cleaning. Later that week, a crew from Ka'anapali Land Management eradicated the weeds from the Makai slope.

## Perpetuating the Torch of Excellence...

The Lahainaluna High School Foundation is a non profit, 501-c-3 organization, founded by a group of community members and alumni whose mission is to support the Lahainaluna school community by providing opportunities and resources and to preserve and perpetuate Lahainaluna's unique culture, history and traditions.

There are **MANY WAYS** that you can help and continue **to MAKE A DIFFERENCE**. In-kind contributions & volunteering help make a positive impact, as do monetary donations which can be directed to the areas of your choice, or wherever the need is greatest. Unrestricted donations are applied to our Charity Walk efforts for a greater yield.

You can donate to the Foundation when you shop at Amazon!! Amazon will donate part of your purchase (.5%) to the Foundation. Simply sign up for **AmazonSmile** and designate the Foundation as your charity.

We will continue to offer **Brick pavers** and **Bleacher Sponsorships** as a way to support the Sue D. Cooley stadium at Lahainaluna.

The **Scholarship awards** continue to grow and aid students seeking to further their higher education and vocational training.

And remember, the LHS Foundation has awarded more than one million dollars since 2002 towards **Grants and Sponsorships**.

**Consider making a gift, no matter how much or how little.  
Contact the LHS Foundation for more info. All contributions  
are appreciated! I MUA, Lahainaluna! MAHALO!**
