On behalf of the Board of Directors we wish you and your families a joyous holiday season.

To say the least, it has been a whirlwind year with the stadium project consuming virtually all of our time. We have experienced several delays in our efforts to complete this fantastic project, but I'm glad to report that we're about 99% complete.

Some improvements that we are still working on include the donor brick area, installation of the sound system, spraying of concrete on the south end slope, construction of a deck at the end of the concourse, as well as improving the area between LHS and Lahaina Intermediate for additional parking.

The recent addition of Lanny Tihada as the Athletic Chair, was an incredible boost to our efforts. He was able to get things done quickly and acquire more "in kind" consideration that we could have ever imagined. Many thanks, Lanny.

Rob Shelton was able to jump back into the fray and his input was needed as another objective perspective in the decision making process regarding all the issues at hand.

Jeff Rogers became the unofficial project coordinator, serving as the liaison between the architect — Dennis Harmon, and the builder — Hawaiian Dredging, fielding countless change orders and questions.

I wish you all could have seen our benefactor, Sue Cooley, when she came up to the stadium recently and saw her name on the front of the building! She was also able to witness students from the boarding program, along with the football and basketball teams hard at work landscaping and cleaning the stadium areas. Unforgettable!

With that I say, "Mission Accomplished!"

Mahalo! *Mark Tillman*

LEGACY GIVING

Last November, **Kenneth Nohealani Sharpe**, of Lahaina, passed away at Maui Memorial Medical Center. A few months later, the Lahainaluna High School Foundation was advised by his financial representative that Kenneth had bequeathed his investment account to the LHS Foundation. It was very unexpected and humbling that he had committed to gifting his funds through our organization to benefit Lahainaluna High School.

In February of this year, one of our founders, **Charles Fox III**, passed away in Honolulu. Besides all that he did philanthropically for the Foundation during his life, his family conveyed that Charlie's wishes included donations in his memory to the LHS Foundation.

Just recently, Lahainaluna High School class of 1955 graduate and former boarding student **Arthur Nikaido**, passed away, and again the LHS Foundation was also identified as a recipient of any donations. We are humbled and most appreciative of these remembrances.

Bequests and other planned gifts can have a huge impact on charitable organizations like the LHS Foundation, and they don't take much time or money to arrange. One doesn't have to be wealthy to make a significant contribution to make a real difference for Lahainaluna.

Anyone who names Lahainaluna High School Foundation in a will, trust, or insurance arrangement may become a member of the **Lahainaluna High School Foundation Legacy Program**. One of the easiest ways to make a meaningful gift to Lahainaluna High School is through a planned gift arrangement. A bequest can be made through a will in the form of a gift of a specified dollar amount, a piece of real property, a block of stock, or a percentage of the entire estate. A simple change to an already existing will (a codicil) is another way to arrange this gifting process.

Through planned giving, donors and their families receive the satisfaction of leaving their legacy where they feel it matters the most. If you are considering making such a bequest, set up an appointment with your financial advisor, attorney, or contact the Foundation directly. The LHS Foundation thanks you for your support.

Bleacher Campaign

The LHS Stadium bleacher campaign began in March of this year and will continue until further notice. To date, over \$45,000 has been raised to help fund the cost of the bleachers, an expense of over \$100,000!! Nineteen classes, and the current LHS staff, reached their goal of donating \$1,000 or more and their gifts will be recognized with nameplates at both ends of their sponsored row of bleachers. Ten other bleachers have been sponsored by individuals, families and businesses. We thank **everyone** who has participated in this campaign and we look forward to the other classes (see website for a running list) who continue to work on reaching a full sponsorship in order to be officially be recognized with their nameplate. Donations can still be made by check, or also through the website. **Mahalo ... I MUA Lahainaluna!**

LAHAINALUNA HIGH SCHOOL FOUNDATION

Hyundai Tournament of Champions

Hyundai is again the title sponsor for the Tournament of Champions, PGA golf tournament. This is a winners only event, scheduled for January 8-12, 2015, at The Plantation Course, Kapalua Resort.

The 2014 Tournament was successful for players, fans, and the non-profit beneficiaries of the tournament. Funds are distributed to various clubs, teams, and programs at Lahainaluna who assist with making the Tournament a success. Mark your calendars and help make this next tournament another success for our community!

Aloha from the Grants Committee! (Susan Yap; Glenn Kosaka; Lee Munemitsu; Keith Todd and a LHS student rep)

The Grants Committee meets periodically to review the grant requests submitted to the LHS Foundation. Requestors are always welcome to be present to answer any questions about their specific grant needs. We review and prioritize each one and submit our recommendations to the LHS Foundation Board of Directors. We are very proud to announce that over \$1,000,000 in grants have been awarded since 2002!!

Donors: your contributions towards programs and projects can be awarded through our Grants Committee, by your specifying such when you make your donations. Along with the hundreds of individual donors, we recognize the Hyundai Tournament of Champions and the Makana Aloha Foundation for their generosity. **MAHALO** TO ALL for the fulfilling service to our school.

Lahainaluna Boarders Association

Each school year the Boarding Department faces new challenges. Last year was no different when the dormitory counselors (teacher positions) were converted to dormitory attendant positions. The 6 authorized positions were not enough to fulfill the needs of the Boarding Program which found itself one position, one shift short in each of the dormitories. As a result each boarding student was required to check out every Sunday at 8:00 am and remain off campus until 4:30 pm that evening. Sundays were often spent sleeping in as boarders report to work every other day of the week at 6:00 am. The day is also spent catching up on homework, doing laundry, working off hours or just relaxing with their boarder 'ohana. This caused quite a strain on the boarding students, parents and sponsors as many families had to travel from as far away as Hana or Upcountry to pick up the students for the day. Many of these parents also sponsor students from neighboring islands. None of the parents or sponsors expected that they would be doing this and many contemplated having the student leave the boarding program.

The Lahainaluna Boarders Association (LBA), in working with the DOE, School Administration and Staff was able to reach an agreement that allowed the existing dormitory attendants to work the additional shift on overtime through funding provided by the LBA for the second semester. With the help of our legislators, our membership, parents and community members, the necessary monies were appropriated this year.

A "Working Group" was been established to look at ways to sustain the Boarding Program. The group consists of members from the administration, complex area superintendent, a community member, legislator, school community council member, current boarder, a Lahainaluna parent, student and teacher. Richard "Noosh" Nishihara is representing the LBA and I will participate on behalf of the Lahainaluna High School Foundation. Our first meeting was scheduled for October 30th, and with more meetings to follow. Anyone interested in sharing ideas for the working group should send them to "Noosh" @mauinoosh@yahoo.com or to me, Craig Murakami, @cmurakami@live.com. Mahalo!

Lahainaluna High School Foundation Scholarship Program In Its 13th Year

Lahainaluna High School hosted its 2014 Scholarship Awards Program on May 7, 2014 in the new cafeteria, Hale Pa'ina. The LHS Foundation participated by awarding a total of \$166,000! Mahalo to all donors and congratulations to all the scholarship recipients (Photo credit: Jon Shigaki)

The **West Maui Veterans' Club Scholarship** was awarded to Ho'olai'kaeo Cabanilla (pictured on the left). Presentation made by Emi Cabilnilla.

SCHOLARSHIPS impact our school's resources and programs in coming years by providing opportunities for our students to succeed in life. There is a great sense of satisfaction in giving back to the community and as such donors are leaving a legacy to a school that has meant so much to them, their families and the community over the years. Each time a new scholarship is created, donors add to the legacy of the school. **MAHALO** to our donors who continue to fund these scholarships and help to Perpetuate the Torch of Excellence. **I MUA!**

LAHAINALUNA HIGH SCHOOL FOUNDATION

Sue D. Cooley Stadium...a brief history

Lahainaluna athletic field, circa 2006

The LUNAS host a game at the "Imu" in 2006.

In 2005, the Foundation officially recognized the need for a complete athletic stadium at a strategic planning workshop.

In 2008, the 10-year goal for the athletic committee was to have the stadium built. (DONE!)

"Sue Cooley offered to finance a project to create a stadium with lighting, so that home games could be held at Lahainaluna"

In March 2007, part-time West Maui resident, Sue D. Cooley, donated her first, anonymous, \$1,000,000 towards improvements to the athletic field and track. The gift was the result of Sue hearing the football team sing the alma mater after a disappointing loss to Baldwin. She was inspired by the team's sportsmanship and grace during and after the game. [This answers the recurring question, quoted by Lanny Tihada on Pg 7]

Sue would continue to give and by the end of 2009, she donated an additional \$1.0M and pledged another \$1.0M. Her generosity would continue. It was not until after her third million-dollar gift that Sue decided to make her name public, hoping to inspire others to give.

Kim Ball and Neil Everett announce a game at the "Imu", Aug 29, 2009.

Beginning in 2008, the Foundation would reach out to the community and those outside the community, in search of support for the stadium project. Celebrities Rudy Ruettiger and ESPN's Neil Everett would answer the call, along with many local businesses and hundreds of alumni. The Foundation hosted fundraising events like the "Tailgate 2009" (which would become "Fire Up da Imu"), a golf tournament, and a continuing brick paver and bleacher sponsorship program.

The 1st paver area. The pavers will now be located in front of the football statue, behind the arrival building.

In April of 2010, Hellas Construction Company started on Phase 1 of the stadium project; the installation of an artificial-turf field, 4-lane all-weather track, scoreboard, lights and makai fencing. Ninety days later Lahainaluna had a state-of-the art field.

It wasn't until February of 2014, that the Foundation was able to overcome several hurdles and begin the construction of Phase 2. Work began on the bleacher seating for 3,000 spectators, press box, rest-rooms, ticket office and security fencing.

"Why would someone not from this community and with no ties to Lahainaluna do something like this"?
....Coach Lanny Tihada

Coach Lanny escorts Sue around the stadium during her visit on November 1,

The Boarder's flank Sue during her recent visit. Commenting on the stadium being named after her, she remarked that it was "the most incredible thing that ever happened to me."

Thanks to all the volunteers who donated their time and efforts during our stadium workdays throughout October and November.

Sue was presented with a proclamation from the State of Hawaii, Board of Education at the semi-final game on November 15th, honoring her generosity in giving in excess of \$7,000,000.

Nearly complete, a rainbow frames the beauty of the Sue D. Cooley Stadium in early November, 2014.

Perpetuating the Torch of Excellence...

The Lahainaluna High School Foundation is a non profit, 501-c-3 organization, founded by a group of community and alumni whose vision is to preserve and perpetuate Lahainaluna's culture and traditions, while providing the students and staff with funds & improvement projects that will promote excellence in the educational experience at Lahainaluna.

There are **MANY WAYS** that you can help and continue **to MAKE A DIFFERENCE**. In-kind contributions help make a positive impact, as do monetary donations which can be directed to the areas of your choice or wherever the need is greatest.

The athletic stadium is just one of several projects which many have supported & continue to do so through directed donations. **Brick pavers** and **Bleacher Sponsorships** are STILL AVAILABLE to commemorate your gift for decades to come.

There's the **Friends of the LHS Library** program that continues to provide new books each year.

The **Scholarship awards** continue to grow and aid students seeking to further their education.

And remember, the LHS Foundation has awarded more than one million dollars since 2002 towards **Grants and Sponsorships**.

**Consider making a gift, no matter how much or how little.
Contact the LHS Foundation for more info. All contributions
are appreciated! I MUA, Lahainaluna! MAHALO!**

**This newsletter is dedicated to our most generous benefactor, SUE D. COOLEY, without whom,
the multipurpose stadium at Lahainaluna High School would not yet exist.**
