Foundation Welcomes New Committee Members

The Board welcomes Dan Williams to the Development Committee. Dan is a Christian businessman who owns and manages a small resort in Napili (One Napili Way), Maui, since moving here in 1996. He is the father of five: Jace, Jake ('09), Luke ('11), Zachary ('20), James (Kam III) and husband to Joanne. Dan also runs Westside Hoops, a 501c3 non-profit that facilitates year-round basketball fundamentals training, and character skill building with the youth (ages 7-18). Westside Hoops uses the game of basketball to help guide our Lahaina kids to navigate an increasingly difficult world, using training, traveling, discipline and love, to help kids become good decision makers. The program participates in many community service programs, helping out the YMCA with various community programs and most recently in partnership with the Foundation, spearheaded the painting of the Jimmie Greig Gymnasium. Dan and Joanne have run Westside Hoops with one goal in mind; to give opportunities for college, trade school and job opportunities for life after high school, to our kids in Lahaina.
