RULES

Your team score today will be determined by adding the **two net best balls per hole** in a **shamble format** utilizing 75% of your individual handicap. Each player will hit their tee shot and after determining which drive your team will take, each player will play his or her own ball from that spot until the hole is completed. One club length no closer to the hole and within the same cut of grass or situation may be used when determining the best drive. After each player's second shot, please play summer rules where the ball lies. Once on the green, there is a two-putt maximum. The maximum score per player will be double bogey, so please pick up after that.

Each player will contribute a minimum of two drives during the round not including par three holes. Players will play their own ball on all par threes.

Men will play from the Resort Tees, and Ladies will play from the Forward Tees.

Senior men 70 and over will play from the Forward Tees.

Each entry includes two mulligans and you may purchase an additional two mulligans for \$20. Mulligans may be used anywhere on the course except for special contest holes.

The maximum handicap for Men will be 24, and 32 for Ladies.

Upon completion of play, please turn in your scorecard and join us for dinner and awards in the Bird of Paradise Restaurant.
