***Maximum 28 for Men, 35 for Women. Subject to adjustments by the Committee.**

Shamble explanation: Each player will hit their tee shot and after determining which drive your team will take, each individual player will play his, or her own ball from that spot until the hole is completed. One club length no closer to the hole and within the same cut of grass or situation may be used when determining the best drive. After each player's second shot, please play summer rules where the ball lies. **The two best net scores will be used as the team score for that hole.**
