Sue D. Cooley Stadium celebrates 5th & 10th Year Anniversaries

This past football season, the Lahainaluna community celebrated the 10th anniversary of having a new allweather track, state-of-the-art artificial turf field, lights and scoreboard (Phase I), in what is now known as the Sue D. Cooley Stadium. At long last, the track team didn't need to travel to War Memorial Stadium to practice and the football and soccer teams had a safe field to play on.

In early 2015, Phase II was completed, featuring stadium seating for 3,000, press box and arrival building (restrooms, ticket office). The D.O.E. granted us beneficial occupancy in July of that year and the first under-thelights football game was played at the facility in August.

The Foundation started discussing the need for a multi-purpose stadium back in 2005, and in 2007, we received \$2,000,000 towards that goal. At the time, the gift was from an anonymous donor, however, part time resident Sue D. Cooley, later revealed that she was the donor.

In the end, Sue would provide \$7,500,000 towards this project. An additional \$1,700,000 was acquired through a State of Hawaii Grant-in-Aid. The Foundation raised another \$300,000 from several small grants, paver and bleacher sponsorships, and other fund raising events.

During the fires of August 2018, a portion of the track and our field grooming equipment were destroyed. Thanks to our West Maui representatives, the track and field turf will soon be replaced.

We are forever thankful to our "angel", Sue Cooley, for making this beautiful facility a reality.

2019 Legends of Lahainaluna

The Legends of Lahainaluna celebrated its seventh awards ceremony on November 8th, at Lahainaluna's Hale Pa'ina. The Foundation honored Jean Miyahira ('58), the school's SASA, as the Individual Award recipient, the Royal Lahaina Resort for the Business Award, and two posthumous awards went to Dr. Charles Araki ('52) and former band director, Brian Kelly, who taught from 1971 to 2001.

This year's event was held in the school's cafeteria for the first time, which added new challenges, but allowed us the flexibility to lower ticket prices seat more guests. Special thanks to the kitchen staff for the delicious prime rib buffet, and students from AOHT, Culinary Department, and the Boarders for all the assistance they provided.

LHS Class Challenge Celebrates 12th Year!!

July 12 marked the 12th annual LHS Class Challenge which took place at the Hawaii Prince Golf Club on Oahu. The day was highlighted by many reunions, a putting contest, a four-person shamble format, onolicious on course food and beverage stations, a hole in one competition, and a buffet dinner and awards ceremony at The Bird of Paradise Restaurant. The 72 participants enjoyed a fun day competing in either the All Class, Some Class, or Luna Supporters (No Class) categories. The winners were as follows:

Of course, all of this is not possible without the generous support of our volunteers, sponsors, prize and monetary donors, as well as the staff of the Hawaii Prince Golf Club and Food and Beverage operations. We wish to thank the following individuals and businesses for their support:

If we missed anybody, please accept our sincerest apology. Your support is vital to our school!

As a follow up to the event, the Foundation expresses its sincere gratitude for the support of the event over the years. It is remarkable that the LHS Class Challenge has raised \$158,000 for the Foundation over the past 12 years!

It takes a lot of effort to pull off an event such as this (especially on Oahu) and with a declining number of participants, some have surmised that perhaps the tournament has run its course. As a result, the Foundation is reassessing the future viability of the event. If you have any suggestions or comments, please drop us a line at <u>LHSFoundation@hawaiiantel.net</u> or give the Foundation a call at (808) 661-5332.
